Part 18 of

THE ROTARY GAME

Who Is This Rotarian?

A. This Rotarian's father was stationed at Ft. McClellan when he met his future bride. His father was a member of an Anniston theatre group that performed a prize winning play on the stage in New York City. His mother spent her childhood on Rocky Hollow with five brothers. The preponderance of this Rotarian's life activities has taken place in one Anniston block of Quintard. He married a girl who lived two blocks away and they live in his original family home. He and his father graduated from the same college and so did his son, brother and nephew. With his family, they made a visit to Annecy, France, where they purchased a bell that now is in the bell tower at his church. He and his brother won the Anniston Country Club member/guest golf tournament playing in tennis shoes. He and his father were both presidents of the Anniston Country Club. This Rotarian and two Anniston friends chartered a sailboat and sailed from Tortola to St. Vincent on a three-week cruise in the Caribbean.
