Part 3 of

THE ROTARY GAME

Who Is This Rotarian?

WEEK 7

A. This Rotarian met Lyndon and Lady Bird Johnson at a private gathering at the LBJ Ranch on the banks of the Perdinales River in the spring of 1972. This person backpacked across Europe in 1979 for two months. This person donates free services to a local women's shelter. This Rotarian is married to someone who served more than 30 years in the U.S. Army. They have an impressive collection of celebrity autographs.

B. This Rotarian is a native Kentuckian and grew up in Atlanta. He ran a marathon that started in one country and ended in another. He served at Ft. McClellan in the mid-1970's, left the community, but returned later to make his home here. He is an executive in a medical related field.

C. This Rotarian is a native of North Carolina and is a graduate of Appalachian State. A proud moment was when he was at the historic football game two years ago when Appalachian State beat Michigan. He has spent time in the Czech Republic and Germany and is an active golfer. He is employed by a large bank.
