Rotary goes 'round at Talladega Super Speedway

Anniston Rotary members and guests participating in the recent Talladega Super Speedway tour were expecting to see the massive 2,000+ acre racing facility that attracts hundreds of thousands at the big races each year and which is normally quiet and still on a day early in April. But it was no April Fool's joke and it certainly wasn't quiet when they arrived and were told they were going to get a drive around the track at over 100 mph!

The enjoyable and successful visit to Talladega was one of two non-traditional events planned this year by club vice president Ike Brown.

Rotary is grateful to Super Speedway staff Todd Pryor, Ty Gardner, and "Boss Hogg" for the outstanding experience — the rides, the tour, and the hospitality.
